Student of the Week – Nathan S2G

Nathan is a very honest and hardworking student. He always works hard to learn new skills and willingly accepts all new challenges with a positive attitude. Nathan’s dedication to his learning always makes him a real pleasure to teach.

He is an enthusiastic sportsman who is always willing to get involved in any sporting activity. Nathan is also becoming a very keen gardener through his work in our weekly gardening group. He is going to make a fantastic student of the week.

Student Achievement
Our local LMG group of schools hosted a Commonwealth Games Day last Wednesday at Dungog. The children experienced a range of fun sporting activities while representing one of the Commonwealth Nations. Team England won the point score on the day.

Great fun was had by all, new friends made and maybe some future champions developed. Our staff would like to
congratulate all students on their behaviour and participation for this Community of Schools event.

Principal's News

Welcome to Week Three! So far we have had a very busy start to term and this week will be no exception.

This week is Education Week.

2014 marks the 60th anniversary of the first Education Week and is an ideal opportunity to take stock and measure progress in Education and celebrate our achievements.

The tagline for the original, 1954 Education Week was: "Lighting the way to a better world". This slogan has been adopted for this anniversary celebration and the artwork from the 1954 poster has been adapted and used again in celebration of our first ever Education Week.

Our school will host the following events as part of this commemorative event:

**Wednesday 30 July – The Ned Show 2-3pm**

**Thursday 31 July – Open Day**

- Come and see our classes in action 12.30pm – 1.30pm
- Enjoy a BBQ with our P&C – 12 noon - 2.00pm
- Celebrating Education Assembly – 2pm - 3pm featuring performance by our Senior Choir and S1E

**Friday 1 August – Indigenous Performance by Sean Choolburra 2pm – 3pm**

**NO ASSEMBLY FRIDAY 1 AUGUST.**

We look forward to seeing you here on Thursday. Through working together we create the best opportunities and learning experiences for all our students.
