What is a P&C Association

P&C Associations are school based organisations consisting of parents, teachers, interested citizens & students. Parents play a vital role in actively supporting & directly contributing to their children’s learning.

What are the Objectives of a P&C

- To promote the interest of the school by bringing parents, citizens, students & teaching staff into close co-operation.
- Assist in providing facilities & equipment for the school, by way of fundraising & promoting the recreation & welfare of students at the school.
- To participate as much as possible in the activities of the school & communicate with all members of the school community.

There may be times though that a parent/s may have concerns in regards to teaching or procedural aspects of the school. These types of matters are unable to be dealt with by the P&C Committee & need to be raised by the parent, directly with the Teacher concerned or the Principal. If the concern is not addressed adequately, then the matter can be raised by the parent with the Department of Education. Attached is a copy of Fact Sheet 17, Parent Complaints, which sets out the process for a parent when making a complaint.

Mother’s Day Stall

Wow, what fabulous gifts we had this year on the Mothers Day Stall.

There was jewellery, coffee mugs, crochet coat hangers, face washers, magnets, key rings, stress hearts, drink bottles, shopping bags, certificates & much more.

Also, thank you to parents that donated gifts for the stall.

We raised a whopping $434.26
